

Summer School 2021 Costings

In July, using Government funding, we hosted our Summer School Spectacular, with a blend of academic workshops and a wide range of enrichment activities. Working with support from our dedicated team of teaching and pastoral staff and in conjunction with Zestme, young people were given the opportunity to socialise, get active, improve their mental health and well-being and strengthen their maths and English skills.

Key Facts:

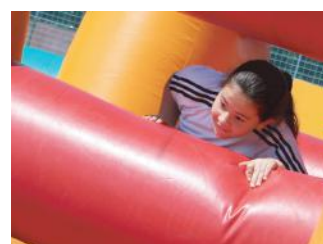

154 Pupils

Years Groups 6-7

5 Days

52% Disadvantaged Pupils

Highlights:
