#### Rules

There are 9 players on each team (fielding and batting) although this can be adapted.

When batting, a player has a maximum of three strikes. If you don't hit it in the correct area or hit the ball at all you're out.

Any ball that is hit outside of the first and third base is a foul ball.

The batter/runner must touch each base as they run around and can stop at any base.

If the batter/runner makes it all the way around to the home plate they score a home run

. Batters can be caught out and run out by the fielding team. They can also be tagged.

The team with the most home runs at the end of all innings is the winning team.
