# **SUBJECT:** Year 7 Design & Technology

**UNIT:** Textiles

## **Health and Safety**

Walk safely and calmly around the classroom/

When you are not using your needle, keep it in the same safe place

If you need to move around with scissors, hold around the closed blades, facing down.

> When using a needle, keep your fingers well clear.

workshop

Clear any spills

Do not enter room without teacher present

## Small textile Equipment

Fabric Scissors: these should only be used for cutting fabric

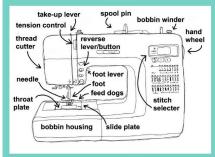

Sewing needle: A needle used in hand sewing to pull thread through cloth

Pins: Used to hold fabric together temporarily

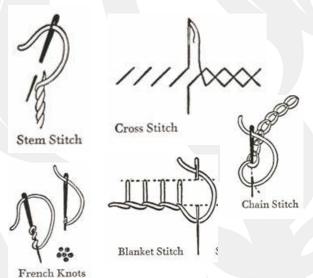

# Parts of a Sewing Machine

# Threading up a Machine

# **Textile processes**

Appliqué is decorative needlework in which pieces or patches of fabric in different shapes and patterns are sewn or stuck onto a larger piece to form a picture

# Annotation of Design Ideas
