- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination

- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

This document also complies with our funding agreement and articles of association.

3. Roles and responsibilities

The **Board of Trustees** will:

All staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating discrimination

The Trust is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions. Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff, Trustees and Local Governing Body members are reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every two years.

Each Academy has a designated member of staff for monitoring equality issues. They make senior leaders and Trustees aware of any emerging issues as appropriate.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the Trust aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will:

- Collect attainment data each academic year showing how pupils with different characteristics are performing.
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and share with Trustees/Governors.
- Identify improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying), and implement plans for improvements where necessary.

6. Fostering good relations

The Trust aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with the local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school councils have representatives from different year groups and are formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the academy's activities, such as sports clubs.
- Developing links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

7. Equality considerations in decision-making

The Trust ensures it has due regard to equality considerations whenever significant decisions are made.

The Trust always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the academy considers whether the trip:

- Cuts across any religious holidays

- Is accessible to pupils with disabilities
- Has equivalent facilities for pupils of each gender.

8. Equality objectives

Objective 1:

To continue to promote cultural understanding and awareness within our school community.

Objective 2:

To provide early and appropriate pastoral interventions for students to promote positive behaviour and inclusion, especially for those groups over-represented in behaviour data (including boys and students with special educational needs).

Objective 3:

To close gaps in progress and achievement between groups of students (boys, students eligible for free-school meals, students with special educational needs and disabilities, looked after children).

Objective 4:

To monitor and promote the involvement of all groups of students in the extra-curricular life of the school.

Objective 5:

To ensure the consistent recording, reporting and action by staff following incidents of discriminatory language and behaviour, including bullying so that these reduce over time.

9. Monitoring arrangements

The CEO / Headteacher will update the equality information we publish, described in sections 4-7 above, at least every year.

This document will be reviewed by the CEO at least every 4 years.

This document will be approved by the Board of Trustees.
